

## Wild West Irish Tours HEART OF IRELAND'S WILD WEST

The Heart of Ireland's Wild West Tour is our most exclusive and personal small group tour! You will explore the hidden mystical, magical, and spiritual places nestled in the beautiful landscape of what is known as the "Land of Heart's Desire." You will meet local artists, writers, poets, musicians, storytellers, historians, folklorists, archaeologists, and the ordinary folk, who work and mind this sacred landscape.

You will have access to the "hearth" – places that no tour bus could ever fit or find. We roam the country roads and towns of the Wild West of Ireland, embracing mountains, wild rivers and ever-rambunctious shores of the incredible Wild Atlantic Coastline of Ireland. This is a deeply immersive experience which is intimate, personal and even spiritual. (And of course, loads of fun and diversion with the locals!)
